Roger Humber, Dennis Bodine named to ACJIC leadership positions

(Montgomery, Ala.) - The Alabama Criminal Justice Information Center (ACJIC), the state agency responsible for the gathering and providing critical information for law enforcement and the criminal justice community, has announced that **Roger Humber** was appointed as the agency's Deputy Director, and that **Dennis Bodine** was appointed as its Supervisory Crime Information Agent for the Field Operations Division.

Humber, a 29-year law enforcement veteran, began his career with ACJIC in 1987 and has served as the agency's Acting Deputy Director since 2006. A native of Birmingham, Ala., Humber has 29 years experience as an Alabama law enforcement officer. He has taught for over 20 years at Alabama police academies and local police departments, and graduated in the 166th session of the Federal Bureau of Investigation's National Academy.

Humber currently serves as the FBI National Academy Associates State Chapter president for Alabama (2007-2008) and also serves as an adjunct professor at Faulkner University and South University in Montgomery, where he teaches criminal justice. He and his wife, Cheryl, reside in Montgomery and are the parents of three children, Leia, John, and Lindsey.

Bodine joined ACJIC as a Field Agent in 2002, and has over 35 years of law enforcement experience. He has served as the acting Supervisory Crime Information Agent for the ACJIC Field Operations division beginning in 2006.

Bodine joined ACJIC after retiring as a Major with the Montgomery Police Department (MPD), where he served as the Commander of its Investigative Division. After retirement from MPD, he served for two years with the Tallapoosa County Sheriff's Office. Bodine received his Bachelors degree in Criminal Justice from Troy University. He and his wife, Bonnie, residents of Foley, Ala., are the parents of two children, Sommers Smith and Jared Smith.

ACJIC was established in October, 1975, by the Alabama Legislature to collect, store, retrieve, analyze and disseminate vital information relating to certain crimes, criminals, and criminal activity. Its systems are connected nationally to the FBI's National Crime Information Center, as well as to all 50 states via the National Law Enforcement Telecommunication System (Nlets).
